May 2010

Dear Parents and Guardians of St. Vincent de Paul Students,

Thank you for choosing Saint Vincent de Paul School. We are honored that you have put your trust in us and we promise that we will continue to provide a superior education in a Catholic context for your children.

As we enter the new school year in the fall, our school will be 87 years old. During these years, Saint Vincent de Paul has always been known as a good school that provided quality education for all its students. We pray that we can continue this tradition.

During the summer, we will be doing our normal maintenance program. We will thoroughly clean each classroom, strip and wax the floors, and clean the heating system and make repairs in the classrooms. Also, this summer we will be moving and readjusting the classroom space in the main building, so that we can more efficiently use our building. .

As you look at the packet of information, please check the sheet that contains the tuition information. This sheet states what our actual costs are and what is given in scholarship aid. If you do not qualify for a Cleveland Scholarship and Tutoring Program (voucher) program, you are asked to complete the PSAS form and submit it. If you complete the form, you are given an automatic \$500.00 deduction. If the PSAS form indicated that your score qualifies you for additional aid, the parish of Saint Vincent de Paul will provide the additional monies as a scholarship. .

As we start the preparations for this next school year, we are praying and working that this new school year will be one filled with much learning, happiness, and a sense of community. We are eager for the New Year and we hope that our eagerness and expectation will be communicated to you and your children.

In Christ,

Fr. John Manning  
Pastor
